PRODUCT SHEET

FRUIT OF THE GROOMER · IV SAN BERNARD

Medium Coat Pink Grapefruit Mask

Pink grapefruit and silk proteins to revitalise medium-length coats.

250 ML · FRUMASPOM250

Intended for double-structured coats: a protective topcoat combined with an insulating undercoat. It hydrates without weighing down, preserves the insulating function of the undercoat and supports the cohesion of the fibre. With pink grapefruit extract and silk proteins, it brings protection, vigour and nourishment to both coat and skin, and makes detangling easier. Its new formula enriched with a vitamin complex protects the coat and reduces hair loss. The undercoat is left airy, the topcoat shiny and the skin respected.
