GREEN CAVIAR · IV SAN BERNARD

SLS/EDTA-Free Shampoo

Iv San Bernard's beauty line, free from SLS and EDTA, built around plant-based caviar.

300 ML · GSHACAV300

Green Caviar is the evolution of the historic Caviar range, enriched with Caulerpa lentillifera, a seaweed also known as green caviar. This shampoo cleanses gently and restores vigour, suppleness and shine to all hair textures, short, undercoated and long alike. The green caviar extract revitalises the hair, while vitamin F and omega 3 moisturise and soften it, making it immediately shinier. A pared-back formula: SLS-free, EDTA-free, silicone-free and more than 90% biodegradable. To be used with the conditioner of the range, as the two steps are complementary.
